

Community Fishing & Boating

- Use of community lakes & beaches require a current Recreation Pass which MUST be carried while using the amenities. Patrol Services check for passes. Those without passes will be asked to leave.
- Recreation Passes allow for fishing on community lakes. No fishing is allowed from back-yards, private docks, the golf course, Lake Water Valley, or in any community ponds.
- The District requires all watercraft's (except inflatables) to display a Water Valley registration sticker. Please visit <https://forms.office.com/r/Djn1D7qSzp> to register. Once you register your watercraft, you do not need to register it again unless you need a replacement sticker.
- There are three (3) approved boat storage locations available with limited capacity and for a seasonal fee. All other watercraft owners MUST adhere to the daily carry-in/carry-out policy. Watercraft's not in compliance are subject to confiscation and fees.
- Lighthouse Point is a private community. Parking within Lighthouse Point is prohibited.
