RAINDANCE METROPOLITAN DISTRICT NO. 2
2025 BUDGET
SUMMARY OF SIGNIFICANT ASSUMPTIONS

Services Provided

RainDance Metropolitan District No. 2's (the District) organization was approved by eligible electors of the District at an election held on May 6, 2014. The District was organized by order of the District Court in and for Weld County on June 6, 2014. The formation of the District was approved by the Town of Windsor, Colorado in conjunction with the approval by the Town Board of a Consolidated Service Plan for the District, RainDance Metropolitan District No. 1, RainDance Metropolitan District No. 3, and RainDance Metropolitan District No. 4 on March 24, 2014. The District exists as a quasi-municipal corporation and political subdivision of the State of Colorado under Title 32, Article 1 of the Colorado Revised Statutes, as amended (C.R.S.).

At a special election of the eligible electors of the District on May 6, 2014, a majority of those qualified to vote voted in favor of certain ballot questions authorizing the issuance of indebtedness and imposition of taxes for the payment thereof, for the purpose of providing financing for the planning, design, acquisition, construction, installation, relocation, redevelopment, operations and maintenance of the public improvements within the District including streets, parks and recreation, water and wastewater facilities, transportation, mosquito control, safety protection, fire protection, television relay and translation, and security.

The District prepares its budget on the modified accrual basis of accounting in accordance with the requirements of Colorado Revised Statutes C.R.S. 29-1-105 using its best estimates as of the date of the budget hearing. These estimates are based on expected conditions and its expected course of actions. The assumptions disclosed herein are those that the District believes are significant to the budget. There will usually be differences between the budget and actual results, because events and circumstances frequently do not occur as expected, and those differences may be material.

The District has no employees and all administrative functions are contracted.

Revenues

Property Taxes

Property taxes are levied by the District's Board of Directors. The levy is based on assessed valuations determined by the County Assessor generally as of January 1 of each year. The levy is normally set by December 15 by certification to the County Commissioners to put the tax lien on the individual properties as of January 1 of the following year. The County Treasurer collects the determined taxes during the ensuing calendar year. The taxes are payable by April or, if in equal installments, at the taxpayer's election, in February and June. Delinquent taxpayers are notified in August, and generally, sale of the tax liens on delinquent properties are held in November or December. The County Treasurer remits the taxes collected monthly to the District.

The calculation of the taxes levied is displayed on the Property Tax Summary page of the budget using the adopted mill levy imposed by the District.

Revenues (continued)

Property Taxes (continued)

For property tax collection year 2025, SB24-233 and HB24B-1001 set the assessment rates and actual value reductions as follows:

Category	Rate	Category	Rate	Actual Value Reduction	Amount
Single-Family Residential	6.70%	Agricultural Land	26.40%	Single-Family Residential	\$55,000
Multi-Family Residential	6.70%	Renewable Energy Land	26.40%	Multi-Family Residential	\$55,000
Commercial	27.90%	Vacant Land	27.90%	Commercial	\$30,000

Lodging	27.90%	State Assessed	27.90%	Lodging	\$30,000
		Oil & Gas Production	87.50%		

Specific Ownership Taxes

Specific ownership taxes are set by the State and collected by the County Treasurer, primarily on vehicle licensing within the County as a whole. The specific ownership taxes are allocated by the County Treasurer to all taxing entities within the County. The budget assumes that the District's share will be equal to approximately 4% of the property taxes collected.

Expenditures

County Treasurer's Fees

County Treasurer's collection fees have been computed at 1.5% of property taxes.

Transfer to RainDance Metropolitan District No. 1

Pursuant to the District Coordinating Services Agreement, RainDance Metropolitan District No. 1 will provide certain operation, maintenance and administrative services benefitting the District, and RainDance Metropolitan District No. 3 (collectively, "Districts"). The Districts will pay all costs of such services through the imposition of ad valorem property taxes and transferring the net tax revenues to RainDance Metropolitan District No. 1.

Expenditures (continued)

Debt Service

Interest payments in 2024 are provided based on the attached debt amortization schedule for the Series 2024 Refunding Bonds (discussed under Debt and Leases).

Debt and Leases

Series 2024 Limited Tax General Obligation Refunding Bonds

The District issued Refunding Bonds on October 9, 2024, in the amount of \$41,540,000. Proceeds from the sale of the Series 2024 bonds refunded the District's series 2019A and series 2019B bonds and District No. 3's Series 2018A and Series 2018B bonds. Bonds maturing through 2039 bear an interest rate of 5% and bonds maturing after 2039 bear an interest rate of 4%. The bonds are payable by moneys derived from the District's property tax revenues, specific ownership tax revenue, and any other legally available moneys and the District No. 3 pledged revenues.

Required Mill Levy

The required mill levy, as defined in the Pledge Agreement and imposed upon all taxable property of the Taxing Districts, is the amount that would generate Tax Revenue equal to the Annual Financing costs but not in excess of 39.000 mills, as adjusted for changes in the method of calculating assessed valuations after January 1, 2014. The actual mills levies imposed by each Taxing District are to be the same if sufficient to generate the Annual Financing costs. For collection year 2025, the mill levy for both districts has been set at 29.645 mills, which provides sufficient revenue for the annual financing costs.

The scheduled principal and interest payments are secured by a Municipal Bond Insurance Policy issued by Build America Mutual Assurance Company. Interest payments are due June 1 and December 1 each year and principal payments are due December 1 each year. See the Schedule of Debt Service Requirements. Bonds maturing on or before December 1, 2029 are not subject to optional redemption. The Bonds maturing after December 1, 2029 are subject to redemption prior to maturity according to the following schedule of redemption premium.

Date of Redemption	Redemption Premium
December 1, 2029 to November 30, 2030	3.00%
December 1, 2030 to November 30, 2031	2.00
December 1, 2031 to November 30, 2032	1.00
December 1, 2032 and thereafter	0.00

The District has no capital or operating lease.

Reserves

Emergency Reserve

TABOR requires local governments to establish Emergency Reserves. These reserves must be at least 3% of fiscal year spending. Since substantially all funds received by the District are transferred to RainDance Metropolitan District No. 1, which pays for all Districts' operations and maintenance costs, and which provides for the required reserve amount, an Emergency Reserve is not reflected in the District's Budget.

Debt Service Reserves

The District maintains a Debt Service Reserve of \$2,492,800, which was fully funded at debt issuance by the debt service reserve insurance policy, as required with the issuance of the Series 2024 Limited Tax General Obligation Refunding Bonds.

This information is an integral part of the accompanying budget.
